

ANNE LISTER FESTIVAL 2026 PROGRAMME

HALIFAX, UK

Monday 30th March -

Monday 6th April

Welcome to the Anne Lister Festival (ALF) 2026 Programme!

This year's festival is packed with incredible events and activities for you to attend and take part in to remember and celebrate Halifax's own Anne Lister on her 235th birthday.

The festival runs from Monday 30th March – Monday 6th April (inclusive) and again incorporates the Anne Lister Society (ALS) conference as well as the Anne Lister Birthday Week (ALBW) celebrations. As always, we look forward to welcoming all of our visitors, including academics from around the world to the ALS conference in Halifax: home to and birthplace of Anne Lister.

We shall once again be bringing Anne's story to life as you visit her family home of Shibden Hall and its grounds to look at some of the plants and herbs that she may have used. There will also be a display including never-before-exhibited costumes from Gentleman Jack at Shibden Hall.

Walk in Anne Lister and Ann Walker's footsteps on expert-led tours around Halifax and Lightcliffe; this year we once again have on offer the most special of pilgrimages up the beautiful Old Bank between Halifax Minster and Shibden Hall: the 'Way of the Setts'.

An exciting first: Northern Ballet's Gentleman Jack will be performed during the Anne Lister Festival; their first new production in five years, all about Anne Lister herself. We shall be offering you a one-off coach trip for an afternoon at the ballet in Sheffield to enjoy this wonderful production. Another one-off special event will be happening courtesy of our friends at Haugh End Manor, who will be opening up the grounds that Anne Lister frequented for social visits – and where scenes from Gentleman Jack were filmed!

Your one-stop shop Anne Lister Headquarters will be open for purchasing Anne Lister merch and answering any queries about the festival. Many of the festival's activities and events will be taking place there, and this year we are hoping to bring you two special exhibitions in this space too! And of course, there will be the annual flower laying at the sculpture of Anne Lister in The Piece Hall, with the Calderdale Archives search room also open for you to meet and chat to the brilliant archives team and see some of the collection – including Anne's diaries – up close.

How will you fit it all in?

We really can't wait to welcome you to the 2026 Anne Lister Festival!

Women of Purpose: Shaping Halifax Through Education, Reform and Philanthropy walking tour
Tuesday 31st March 11.00am-12.30pm

Tour starts at the bottom of the Central Library steps, Halifax, HX1 1QG

£8.00

Halifax Heritage Tours CIC are passionate about the heritage of women who have lived and worked in and around Halifax. We've been exploring local female connections to Halifax; women of purpose, whose drive to personally achieve, provide or represent others has led us to refer to them as heroines and we look forward to offering with you and sharing an insight into the lives of many amazing women to whom Halifax owes so much.

On our guided tour, you'll hear real stories that celebrate strong role models; from the first female solo air balloonist, a master sculptor, diarists (yes, including a certain Anne Lister!), property owners and trailblazing women MPs. Various tales of the women who shaped the history of Halifax and in many instances further afield too, as they nurtured philanthropy, promoted the wellbeing of residents and workers, and advocated for women's and civil rights.

The tour will finish at the top o' town, not far from Harvey's of Halifax; here you may wish to visit their renowned café/restaurant for refreshments after the tour.

Please note that this walk starts uphill and could include some cobbled areas; please ensure you wear suitable footwear.

NB: Any children under 18 booked on the tour must be accompanied by an adult with a ticket for the event and will remain the responsibility of that parent or guardian at all times.

Way of the Setts pilgrimage walk

Tuesday 31st March 12.30pm-2.00pm

Walk starts *inside* Halifax Minster, Causeway, Halifax, HX1 1QL

Free.

The Way of the Setts Anne Lister Pilgrimage Walk is focussed around central aspects of the life of Anne Lister. It begins in the holy site of what she knew as the Parish Church – now of course Halifax Minster; this is where she was baptised, where she worshipped, and is where she is buried. The walk then travels up Old Bank and onto the high vistas overlooking some of the Halifax landmarks that Anne would have seen as she strode between Shibden Hall and the town.

This part of the walk will end at Shibden Hall, where a second walk (see a following entry in the programme) will continue on around Shibden Park. You are welcome to do either walk, or both – however, please make sure to book the relevant tickets, due to limited available numbers.

This pilgrimage will be led by the Revd. Dr. Catherine Shelley – and please note that it is extremely steep in places as well as being slippery underfoot (particularly so, depending on the weather conditions). Please therefore ensure that you wear entirely appropriate footwear.

Regrettably, due to the terrain ('Setts' being the original, cobbled path laid hundreds of years ago, and which still forms part of the ancient Magna Via route today) this route is not wheelchair accessible.

NB: Any children under 18 booked on the tour must be accompanied by an adult with a ticket for the event and will remain the responsibility of that parent or guardian at all times.

Taste of Halifax: Borough Market Food Tour

Tuesday 31st March 1.30-3.30pm

Allow our guides to take you on a culinary journey around Halifax, where you'll learn about the rich history of the Borough Market, sample gastronomic specialities from Halifax and around the world, and hear food stories from past and present from our local traders – as well as, wherever possible, a nod to Anne Lister herself, of course!

You will receive an email 2 days before the event with meeting point information.

Please contact tourism@calderdale.gov.uk if you have any questions about the event.

Anne Lister's Reflective Shibden Park Easter walk

Tuesday 31st March 2.00pm-3.30pm

Walk starts outside the front, main entrance to Shibden Hall, Lister's Road, Halifax, HX3 6XG

Free.

After the earlier walk (The Way of the Setts Anne Lister Pilgrimage Walk) this walk will continue around Anne Lister's Shibden Park. It will be a reflective walk led by the Revd. Dr. Catherine Shelley who will focus not only on the environment around us but also on Anne Lister's faith – in reference to Holy Week as we approach easter. There will be time for reflection and will be readings along the way.

This will be an accessible and gentle walk through the grounds of Shibden Park, allowing time for contemplation and to just soak in the place and space that Anne Lister loved so much.

This walk will follow the one immediately before this one in the programme. You are welcome to do either walk, or both – however, please make sure to book the relevant tickets, due to limited available numbers.

Please note that whilst the route is accessible and can be completed in an electric wheelchair or mobility scooter it will be uneven as well as being steep in places. If doing the walk on foot please ensure that you wear appropriate footwear.

NB: Any children under 18 booked on the tour must be accompanied by an adult with a ticket for the event and will remain the responsibility of that parent or guardian at all times.

We are delighted to welcome Join Vicky Iglkowski-Broad, Principal Records Specialist for Diverse Histories at The National Archives to the Anne Lister Festival.

As we know, Anne Lister's remarkable life has left behind a wealth of surviving records – less well known as the official government documents that can offer unexpected and sometimes intimate insights. This interactive workshop provides an overview of the collections held at The National Archives, showing how legal and administrative records help reconstruct the life of Lister and partners. Participants will have the chance to handle facsimiles, exploring these stories for themselves and discussing how such materials help us recover traditionally marginalised histories. Bring your curiosity—and your own knowledge—as we work together to interpret these fascinating sources.

Please note: Vicky is not an Anne Lister specialist but brings expertise in the history of sexuality and gender within government archives.

Anne Lister's Shibden: what she inherited and what she bequeathed walk

Friday 3rd April 11.00am-12.30pm followed by Q&A – ends by 1.30pm

Meet at main entrance to Shibden Hall (by blue plaque), Lister's Road, Halifax, HX3 6XG.

A short, circular walk round Shibden, remaining close to the Hall. Anne inherited the Shibden estate from her uncle in 1826 and, always ambitious, in the 1830s she transformed it from a traditional farmhouse to a grand country house. Yet how were such ambitious plans paid for? Then, after her death in 1840, her legacy went on to benefit the people of Calderdale and their many visitors. Learn more about this story with local historian and Anne Lister author Jill Liddington on this short, slow-paced walk right around the outside of the former home of Anne Lister and her family.

Meet Jill Liddington at Shibden Hall's front entrance (by the blue plaque) at 11.00. This short circular walk ends at 12.30pm. You can then browse the books in the Shibden Hall shop and afterwards relax in the cottage with a cup of tea for Q&A and discussion.

Meet at the entrance on Free School Lane (where Casualty was) just below the crossing and where there is a post box in the wall. What3words location: ///richer.atomic.deep

£8.00

Join Halifax Heritage Tours (HHT) on their special guided tour of the Royal Halifax Infirmary (RHI). Opened by the Duke and Duchess of York (later to become King George V and Queen Mary) on 25th July 1896, the building was paid for by public donations with the names of many benefactors such as Crossley, McCrear, Rawson, Appleyard, Simpson, Kitchenman, Porter and Baldwin still seen on the buildings! What we now know as the Charity Gala was originally the Infirmary Parade, which enabled the general public to donate in buckets as the parade left town. Monies raised went to assist in the running of the RHI. Would you like to see how the site has been developed into houses and apartments since the hospital closed in 2000? The Infirmary has always had a special place in the hearts of the people of Halifax and Calderdale; today's residents feel the special spirit of place from this heritage and from those who have passed through the beautiful buildings over the last 127 years.

The tour starts/ends at the entrance on Free School Lane (where Casualty was) just below the crossing and where there is a post box in the wall. Please note ticket holders are **not** permitted to park on the Royal Halifax Infirmary site as parking is exclusively for residents. Parking is available instead on Free School Lane.

3000 Lesbians Go to York (+ exclusive showing of *Access Denied*)

Sunday 5th April 1.30-3.00pm

ALHQ, Unit 4, Northgate House, Halifax, HX1 1UR (next to Hatch Brunch House). What3words location: ///dared.when.hammer

£8.50

What is it about York? Nearly 150 years after Anne Lister and Ann Walker's time, another chapter of York's lesbian history began in a women's bookstore on Gillygate. We are thrilled to bring to ALF this fascinating documentary telling the story of the York Lesbian Arts Festival (YLAf): in its day the largest gathering of lesbian, bi and queer women in the UK, and an event that really did bring lesbians to York! A fascinating watch featuring lesbian literary stars such as Val McDermid, Sarah Waters and Jackie Kay.

We are delighted to be joined for this special screening by members of the film team – including Jenny Roberts, the founder of Libertas! Bookshop and of YLAf; co-producer Jane Traies, author of the book *3000 Lesbians Go to York*, on which the film is based; co-producer Kate O'Dwyer; and Bonnie Rae Brickman, the film's editor. The film team will be answering questions in a post-screening Q+A, hosted by Louise Wadley – director of the Hebden Bridge Film Festival!

Before the *3000 Lesbians* showing, we are delighted to bring you an empowering short film from an ALF community member! *Access Denied* centres on Martha, a twenty-year-old lesbian with cerebral palsy, as she navigates the complex realities of love, identity, and independence. With an insight into Martha's sharp and self-aware inner voice, the story offers a determined yet joyful portrayal of her daily life – getting ready for a date, facing ableism, and existing as a sexual, social, and

confident young woman with feelings and emotions. This 5-minute film will run immediately before the start of *3000 Lesbians*; creator Rachel-Ann will also be involved in the Q&A discussion following both films. This will all form part of the same event, with no break in-between film showings – we hope you enjoy!

The Tower at St Matthew's Churchyard, Lightcliffe open

Old St Matthew's Churchyard, Wakefield Road, Lightcliffe, HX3 8TH. This is on the 255 bus route from Halifax to Leeds leaving the bus station at 25 minutes past the hour and arriving about a quarter to the hour. The taxi ride is about 3 miles.

Two wonderful guides: Dorothy Barker and Ian Philp, who help to look after the churchyard and have carried out considerable research into Lightcliffe, and St. Matthew's 'residents' will be on hand to chat with you and to answer any questions that you may have.

Donations for the maintenance of the churchyard and the tower will be gratefully received.

Whilst you are in Lightcliffe you will find several places to eat in including pubs owned by Ann Walker and her family, or cafés for refreshments/light bites.

We're thrilled to bring you the multi-award-winning documentary *Bulletproof: A Lesbian's Guide to Surviving the Plot* – a witty, fast-paced and deeply personal film in which Toronto-based filmmaker Regan Latimer takes a humorous, insightful look at LGBTQ+ representation on television and the power of media to shape how we see ourselves.

Laced with pop culture references, Latimer journeys across North America and beyond in a quest to understand the forces that influence the stories we see on our screens. Original animation and personal anecdotes are interwoven with wide-ranging conversations with television insiders, LGBTQ+ community advocates, and people who simply love to watch TV.

And yes – there are of course some familiar faces along the way talking about *Gentleman Jack*. As Latimer navigates an ever-evolving media landscape, the film reminds us that representation done well has the power to transform. We're also really excited to host a post-screening **Q&A with director Regan Latimer** following the film.

Before the *Bulletproof* showing, we are delighted to bring you an empowering short film from an ALF community member! *Access Denied* centres on Martha, a twenty-year-old lesbian with cerebral palsy, as she navigates the complex realities of love, identity, and independence. With an insight into Martha's sharp and self-aware inner voice, the story offers a determined yet joyful portrayal of her daily life – getting ready for a date, facing ableism, and existing as a sexual, social, and confident young woman

with feelings and emotions. This 5-minute film will run immediately before the start of *Bulletproof*; creator Rachel-Ann will also be involved in the Q&A discussion following both films. This will all form part of the same event, with no break in-between film showings so: settle in, bring your popcorn, and join us at the Hub for a proper Anne Lister Festival community evening – with personal, joyful, and thoughtful depictions of our community!

After a bring & share lunch you will have the opportunity to ask questions, and to feed ideas into the development of the project to influence its journey from here. You will also have the opportunity to play the square piano yourself – guided, of course, by expert square-pianist, Lisa Timbs.

Light refreshments (tea, coffee, soft drinks, biscuits) will also be provided.
